

MISSION STATEMENT.

Our goal is to improve the quality of life in America's cities.

We will accomplish this as partners, working together with our friends and neighbors.

We will help our communities become places where families can live in safety, prosperity and harmony; places where the American dream of home ownership can flourish; places where fair, decent and affordable housing is a reality for all people.

The primary distinction between our counselors and others is this:
Nearly all of our counselors are **highly skilled real estate professionals**
whose **knowledge** and **abilities** are developed and refined thru
many years of practically applied real estate experience.

Our counselors live in the communities they serve.

NID offices are located in: **Alabama, Arizona, California, Washington, D.C., Florida, Georgia, Illinois, Kentucky, Louisiana, Massachusetts, Maryland, Michigan, Missouri, New Jersey, Nevada, Ohio, Pennsylvania, and Texas.**
